October presentation

Gary Moran will amaze you. He'll dazzle you. He'll make coins and currency appear and disappear before your very eyes. Who knew that Gary was a magician?

Gary will talk about the magical side of the hobby.

September presentation

Steve Petty expanded on a presentation he gave at a regional meeting of the Liberty Seated Collectors Club at the Labor Day weekend show.

The 20 cent piece was proposed in a presentation accepted by Congress almost a century before the first coins of that denomination were produced in 1875.

In 1783 Thomas Jefferson proposed a "fifth or pistreens" piece. By the time coinage actually started in the 1790s, the "double-tenth" was dropped in favor of the quarter.

Coinage of the odd-denomination coin started in 1875 and ceased in 1878. Fewer than 1.4 million coins were minted, and most of those were struck in San Francisco in 1875.

What's going on at the ANA? - October 2011

Oded Paz, national coordinator of the ANA District Representatives Program, is writing a monthly update on American Numismatic Association activities and opportunities.

- The ANA ended Employment Relationship with Larry Shepherd as Executive Director. ANA President Tom Hallenbeck said: "We appreciate Shepherd's past three years of contributions, but the Board determined the association needs to move in a different direction going forward, providing greater focus on its core educational mission. The ANA is about more than just being a big coin show. It's about our individual members and member clubs. It's about educating our members and the general public, doing so by creating a positive numismatic experience for the many diverse segments of our organization and the greater hobby community."
- The ANA Member Clubs will once again receive free tables at the ANA's three annual shows. "Clubs have always been the lifeline of the ANA," President Tom Hallenbeck said. "We believe our long tradition of offering free tables to member clubs was beneficial to the hobby." This is very good news to the Coin Clubs all around the nation, as the ANA is and will be more attentive to the coin clubs and their needs.
- The ANA teamed up with Costco - as a member of ANA, new members will receive coupons valued at more than \$50, including three free items. This offer is only available to ANA members by logging into the Members Only secure access page - <http://r.listpilot.net/c/money/6k2lf67/1lzkq>.
- Become an ANA Youth-Friendly Dealer! - The ANA's new Youth-Friendly Dealer program is an opportunity to earn points for supporting initiatives geared towards young collectors. When you earn enough points, you become an official ANA Youth-Friendly Dealer and receive a certificate, a decal for your shop , and recognition in the ANA's online Dealer Directory.
- The Pittsburgh National Money Show 2011 will be held from Thursday, October 13, 2011 through Saturday, October 15, 2011 at the David L. Lawrence Convention Center
